PROGRAM HIGHLIGHTS

Hands-On ICD-10 Coding Seminar

Thursday, September 17, 5:30PM - 8PM

ICD-10 coding seminar is free to all Seminar attendees and one staff member. Additional staff members will be \$25.00 each. APMA members not attending the Seminar, may attend for \$50. Non-APMA members not attending the Seminar, may attend for \$150. Participants need to bring their own laptop and be subscribers of the APMA Coding Resource Center. Free one week trial subscriptions are available through the APMA website. The course will be taught by Robert Russo, DPM, Joseph A. Sciandra, DPM and Larry Santi, DPM.

PICA Risk Reduction Course

Friday, September 18, 7:30AM - 9:30AM

A two hour course designed to improve your practice and patient interaction, as well as to insure the proper documentation to make podiatrists ready for EMR and the rigors of the new Health Care Affordability Act. The course will be taught by Jeffrey Gershon, Esq.

Radiology Certification Course

Friday, September 18, 8:00AM - 4:00PM

For office assistants. Separate pre-registration required. Contact Sarah Hansen at sarah@nyspma.org for application and payment details.

Surgical & Medical Update Seminar

Friday and Saturday, September 18 & 19

Attendees will learn the latest in surgical and medical treatments of foot and ankle disorders.

2015

Foundation mission statement:

The Foundation for Podiatric Medicine, a nonprofit 501(c) (3) organization, was established in 1986. The mission of the Foundation for Podiatric Medicine is to offer continuing medical education, professional development and public information services.

Foundation education mission statement:

The Foundation for Podiatric Medicine's educational mission is to promote continuing education in podiatric medicine, podiatric surgery, and practice management through workshops and seminars. Our commitment is to increase knowledge by offering every registrant the educational assistance needed to improve care for their patients and be successful in practice by promoting the benefits of scientific advancement in the treatment, prevention, and alleviation of podiatric ailments.

Foundation approval statement:

This activity has been planned and implemented in accordance with the standards and requirements for approval of providers of continuing education in podiatric medicine through a joint provider agreement between the Foundation for Podiatric Medicine and the Western Division NYSPMA. The Foundation for Podiatric Medicine is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The Foundation for Podiatric Medicine has approved this activity for a maximum of 18 continuing education contact hours.

Foundation nondiscrimination statement:

No person shall be denied registration or participation in any continuing education program provided by this Foundation for reasons of race, religion, sex, national origin or physical ability.

Foundation disclosure statement:

Each speaker is required to disclose the existence of any financial and/or other relationships (e.g., employee, consultant, speaker's bureau, grant recipient, research support) s/he might have with (a) the manufacturer(s) of any commercial product(s) to be discussed during his/her presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker or by the speaker immediately preceding the lecture.
