PODIATRIC CLINICAL
CONFERENCE & EXHIBITION

JANUARY 21-24, 2027

REGISTRATION

New York Marriott Marquis

ABOUT NY27

We invite you to join us at the NY27 Clinical Conference, taking place from January 21-24, 2027.

This is the premier education conference for podiatric medicine and surgery. The Clinical Conference is provided through the hard work and dedication of the Foundation for Podiatric Medicine and the New York State Podiatric Medical Association.

The 2027 Clinical Conference will deliver the most current medical and surgical advances in podiatry. Tremendous learning opportunities await you in our lecture track, panel discussions, and workshops. Arrive a day early and attend our in-depth coding seminar, open to all attendees. Sit in on the Complications Seminar and watch greater NY area podiatric surgical residents present on their most complicated cases. The depth and breadth of the educational opportunities are unmatched.

Networking is also the cornerstone of the conference. Connect with your colleagues and vendors in our newly imagined exhibit hall, now anchored by the NYSPMA Lounge in the center of the action. Extended lounge hours will mean more time to relax or grab a snack and a drink, while networking with colleagues between sessions. In-demand vendors will fill the exhibit hall, offering hands-on access to the newest products and innovations shaping the profession.

We as podiatrists should be lifelong learners. This conference will provide numerous opportunities to enhance our medical and surgical knowledge which will afford us the ability to improve the treatment and care for our patients.

The Foundation for Podiatric Medicine and the New York State Podiatric Medical Association look forward to seeing everyone at the conference. Please visit www.nyspma.org/ny27 for the latest information regarding the conference and related events.

Thank you for attending and making this year's conference a success.

NON-CECH PODIATRIC RADIOGRAPHY CERTIFICATE PROGRAM FOR UNLICENSED INDIVIDUALS

This 8-hour, practice enhancing course is designed to teach participants how to perform a podiatric radiology examination. Presented by New York College of Podiatric Medicine faculty, the class is a full-day hands-on workshop leading to a certificate in radiology. Emphasis will be placed on performing an accurate exam in a manner which is safe for both the patient and the examiner. Basic radiology principles will be reviewed with a special concentration on practical application. At the end of course, upon proving competency, the participant will be certified to take podiatric radiographs under the supervision of a licensed podiatrist and will receive an official certificate from NYSPMA.

*This course is for podiatric assistants working under NYS podiatrists. Assistants practicing in offices in other states will NOT be able to transfer this certification to their home state as it is an NYS-specific privilege to license unlicensed individuals in radiography.

YOUNG MEMBERS' INSTITUTE**Saturday, January 23****8:00am - 5:00pm**

The Young Member's Institute (YMI) is NY27's dedicated day of programming for residents, fellows, students, and early-career podiatrists.

The Complications Seminar gives residency programs from the Tri-State area and beyond a platform to present their most challenging surgical, medical, and diagnostic cases – and to get real-time input from peers, moderators, and a panel of judges. Each program's case is distilled into a focused 10-minute presentation, followed by open academic and risk-management discussion, with awards presented for the top three programs. All conference attendees are welcome to sit in and watch the residents present.

Beyond the Seminar, the Institute provides residents with important guidance as they transition out of residency, including board certification insight, research opportunities, and risk management considerations.

Residency Directors and Assistant Directors are welcome to attend and support their residents, and current students are given a special invitation to attend as observers.

To submit a proposal to the Complications Seminar, visit **www.nyspma.org/conference_YMI**

The deadline to submit a proposal is Friday, November 13, 2026.

CONFERENCE REGISTRATION

Registration and attendance is restricted to NY27 exhibitors, lecturers, Podiatrists, Podiatry residents, enrolled Podiatry students, and their registered guests. This year, registrations will only be accepted online. If you are having difficulty registering online, please contact the NYSPMA Office.

Confirmation letters are emailed following receipt of registration; an email address is required to register. All conference communication takes place via email.

Residents must provide proof of residency onsite in order to print their badge. Students must bring ID. All NYSPMA members must be either paid in full for 26-27 dues or must be enrolled in an auto payment plan to register at the NYSPMA membership rate for the NY27 Clinical Conference.

CONFERENCE BADGE POLICY

Badges are printed onsite using the barcode included in your confirmation email, or by looking up your last name at the badge kiosks. No badges or materials will be mailed in advance. All attendees are required to wear their conference badge at all times while on the exhibit hall show floor. Badges must be visible for entry and will be checked at all points of access. Individuals without a visible badge may be denied entry to the exhibit hall.

GUESTS

NYSPMA members may register one adult guest, either a family member or significant other. The member must be present with their guest at the time of badge pickup. Guests may not be DPMs or office staff. NYSPMA reserves the right to cancel guest registrations that do not meet these criteria.

FAMILY HOUR

We welcome families to join us for our designated Family Hour on Saturday, January 23, from 4:30-6:30pm in the Exhibit Hall (Levels 6 and 7).

During this time, children accompanied by a registered adult attendee are welcome in the specified area. All other conference spaces and sessions remain restricted to registered attendees only. Children must be supervised by an adult at all times.

SOLICITATION POLICY

Attendee participants may not solicit business, market products or services, or conduct sales activity on the exhibit hall show floor unless their company holds a valid exhibitor registration. Solicitation is limited to badged exhibitor representatives within their registered booth space. Attendees may not organize, promote, or participate in unsanctioned events that compete with or may divert attendees from official NY27 programming; violators are subject to removal from the conference.

UNAUTHORIZED EVENTS

It has come to our attention that unauthorized individuals and companies may invite NY27 Clinical Conference attendees to sponsor and/or attend unsanctioned events. Unsanctioned events created or promoted by vendors or attendees are prohibited. Vendors or attendees who promote or establish unsanctioned events are subject to removal from NY27.

CANCELLATION/REFUND POLICY

Attendees who are no longer able to attend the NY27 Clinical Conference may cancel their registration in writing up until Friday, December 18, 2026. All cancellations will incur a \$99 cancellation fee. Cancellation requests received after this date are not eligible for a refund. Attendees who violate these Terms and Conditions shall not be eligible for a refund under any circumstances.

WEATHER POLICY

NY27 is expected to proceed as scheduled regardless of winter weather conditions. The only exception is if New York City declares a state of emergency that prevents the conference from being held. In that event, attendees will be notified as soon as possible. In the event of inclement weather, attendees are encouraged to make the best decisions related to their own travel. Scanning for CECH credit will proceed according to the schedule published in the onsite brochure. Refunds will only be issued if the conference is officially cancelled and equivalent educational programming is not offered in its place.

CONTINUING EDUCATION

The Foundation for Podiatric Medicine is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. NY27 offers up to 29.5 continuing education contact hours (CECH).

This number is based on attendance at all general lectures and the two pre-conference seminars taking place on Thursday.

CECH SIGN-IN / BADGE SCANNING POLICY

Badges are barcoded with attendee information and must be scanned to record session attendance. Attendees may only scan their own individual badge to receive CECH credit – scanning another attendee's badge on their behalf, or allowing another attendee to scan yours, is prohibited and a violation of these Terms & Conditions. Attendees who experience an issue scanning their own badge may submit a Missed Scan Form, available after the conference.

CECH CERTIFICATES

By registering, attendees consent to complete an electronic evaluation survey in order to receive their CECH certificate, distributed via email following the conference.

Membership dues must be paid in full for the 2026–2027 fiscal year for members who registered at the member rate to receive their CECH certificate. Questions regarding dues payments can be directed to 212-996-4400.

Each registrant is responsible for reporting his or her attendance to all appropriate boards and agencies requiring continuing education. Credits may be registered with state boards by providing them with a copy of your CECH certificate.

MEALS

Breakfast and lunch are designed as free time for attendees to visit with exhibitors or attend ancillary sessions. Educational and non-educational sponsored lunches may be available for pre-registration; check www.nyspma.org/ny27 for updates.

SLEEPING ROOM BLOCK

A block of sleeping rooms has been reserved at the New York Marriott Marquis for NY27 attendees at a group rate of \$258++ per night. Rooms may be reserved until Friday, December 25, 2026, or until the block is filled. Reserve online at <https://book.passkey.com/e/51299740>

If reserving by phone, mention “NY Podiatric” to ensure you’re booked inside the conference block.

NOTICE: UNAUTHORIZED HOUSING SOLICITORS (“ROOM BLOCK PIRATES”)

The only company authorized to arrange hotel reservations for NY27 is the New York Marriott Marquis, through channels provided exclusively by the Foundation for Podiatric Medicine. NYSPMA does not solicit reservations by phone or fax. If you receive a call or email from a company offering to make your hotel reservation, we urge you not to use their services. Unauthorized companies typically require pre-paid, non-refundable reservations with steep cancellation and change fees, and in some cases attempt to fraudulently use your credit card. Report any such contact to nyclinicalconference@nyspma.org immediately.

NONDISCRIMINATION

No person shall be denied registration or participation in any continuing education program provided by the Foundation for reasons of race, religion, sex, national origin, or physical ability.

ACKNOWLEDGEMENTS

The Foundation for Podiatric Medicine would like to thank the following people and organizations for their contributions to the NY27 Clinical Conference: Andrew J. Oster Design and Photography, NY College of Podiatric Medicine.

BECOME AN NYSPMA MEMBER TODAY

The New York State Podiatric Medical Association (NYSPMA) is a tax-exempt not-for-profit, voluntary professional association uniting three of every four doctors of podiatric medicine in New York State.

NYSPMA consists of 11 geographically based subgroups called divisions and is the largest statewide component of the American Podiatric Medical Association (APMA) and its affiliated national network of certifying boards and professional colleges. NYSPMA is made up of dedicated volunteer podiatrists who serve as officers, board members, and committee members. Established in 1895, we were the first organization of its kind in America. We are a strong voice in the state legislature on insurance affairs, medical and hospital practice, managed care, scientific affairs, and public health.

JOIN NOW

Membership in your state and national professional associations strengthens your practice and contributes to the current state of podiatry as well as the future of the profession. Contact the APMA Office at 301-581-9200 to become an NYSPMA member today. Join by November 1 and attend the 2027 Clinical Conference for free as a member.

HOW DO WE SERVE OUR MEMBERS?

- **Continuing Medical Education Credits:** Available at our annual clinical conference, as well as division seminars throughout the state.
- **Clinical Conference:** Members attend all three days of lectures free of charge, as well as receive discounts on additional seminars and programs.
- **Insurance Intervention and Representation:** A committee of knowledgeable podiatrists and insurance consultants are available to assist members with insurance issues.
- **Political Action:** Member participation under the guidance of one of New York's top government affairs firms.
- **Communications:** NYSPMA's newsletter, NYSPMA President's Update, as well as its website, www.nyspma.org, provide valuable and pertinent information to members on every aspect of their practice.
- **Legal Resources:** Members have the ability to enroll in the Legal Benefits Plan, a valuable program that provides legal coverage on a variety of issues, as well as access to a continuously updated Legal Resource Manual.

CHECK YOUR EMAIL!

Keep an eye out for email updates with faculty, programming and social event updates. ALL conference communication, including registration confirmation and badge information, will be delivered via email this year.
